

An interesting way of revising 'Romeo and Juliet'

Act 3 Scene 1

Here are the main events in Act 3, Scene 1 - but all jumbled up. Put them into chronological order; the order in which they occur in the play. Just use the letters to identify the correct sequence.

- a) Benvolio takes Mercutio somewhere quiet to die and Romeo blames his love for Juliet for making him soft.
- b) Lady Capulet demands the execution of Romeo. The Prince, with the Capulets and Montagues, arrives to find two corpses in Verona Square.
- c) Mercutio is angry that Romeo won't fight and takes his place.
- d) Mercutio teases Tybalt and Benvolio says they should go somewhere less open to talk.
- e) Romeo professes his love for Tybalt and refuses to fight.
- f) Benvolio and Mercutio are discussing one another's hot tempers and Benvolio is worried because there seem to be a lot of Capulets about.
- g) Romeo arrives fresh from his secret wedding in which he married Juliet.
- h) Lord Montague says Romeo only punished Tybalt for killing Mercutio and should be allowed to go free.
- i) Benvolio returns to tell Romeo that Mercutio is dead.
- j) Romeo tries to stop Tybalt and Mercutio fighting and reminds them of the Prince's threat should anyone break the peace.
- k) Romeo steps between Tybalt and Mercutio and Tybalt stabs Mercutio under Romeo's arms.
- l) The Prince decides that Romeo will be banished.
- m) Romeo attacks Tybalt and they fight.
- n) Tybalt falls dead and Benvolio urges Romeo to flee.
- o) Benvolio explains to the Prince what has happened.
- p) Tybalt arrives and demands to know where Romeo is.
- q) Mercutio, knowing that he is dying, curses both the Montagues and the Capulets.
- r) Tybalt insults Romeo and demands a duel.
